

WHISPERING PINES S.D.A. SCHOOL

FAMILY VOLUNTEER PROGRAM

Dear Families,

Every school needs as many friends as possible – and what better friends can we have than the families of our students? We couldn't survive without supporters to lend a hand from time to time.

While we know that our children deserve nothing but the best, we also recognize that *quality costs*. Whispering Pines makes every effort to keep expenses low and standards high so that solid Christian education is accessible to all who want it for their children.

Through the **Family Volunteer Program**, we hope to see each of us doing his/her part to build and sustain Whispering Pines School. Each family is required to donate a **minimum** of 20 hours of service per year, but that is just a minimum -- we need every hour that you can give us! Additionally, note that money may be donated in place of service – *but we want your service more than your money*. The hours of loving labor given to make this school a better place for your child are invaluable.

Please see below for some volunteer duties needed, as well as how many hours you may be credited for performing them. This list is not exhaustive – that is, you may think of other helpful things you can do. If you have an idea not listed here, please come and talk to us. Once again, the **20-hour minimum** is only a minimum. We welcome as much of your support as you're able to give!
